## Sale Conditions:

any offer, whether made on the phone, or through a written bid with this Form, is subject to the application of the Conditions of Sale contained in this catalogue and on the website www.fondacoaste.com; please read them carefully before submitting this Application Form.

An amount as auction rights must be added to the hammer price, calculated as a percentage of the hammer price achieved, from 25% (Twenty-five percent) to 30% (Thirty percent) based on the chosen participation method (the percentages will be specified at each Auction both on the online platforms and in any paper catalogues). These amounts are inclusive of VAT as required by current legislation. Any other charge or tax relating to the purchase will be in any case at the buyer's expense.

## Participating on the phone:

the telephone bids will be arranged by Fondaco Aste by a connection which will be made with some lots in advance of those selected, to allow the sale to proceed correctly. Fondaco Aste undertakes to make the telephone connections correctly although it does not assume any responsibility for errors in the formulation of the offers and/or failure to connect. The calls may be recorded: these operations will be carried out in compliance with the Privacy Policy contained in this catalogue and on the website www.fondacoaste.com.

The **auction rights** in case of **telephone** participation will be: **28% (Twenty-eight percent)** on the hammer price up to 200.000 euros; 22% (Twenty-two percent) for the exceeding part of this amount.

## Participating by absentee bids:

the lots will be sold at the lowest possible price based on the last bid received. If two or more written offers of the same amount are received for the same lot, the time order of receipt will prevail. With this Form, I assign Fondaco Aste to purchase the listed lots on my behalf until the indicated price is reached, to which the auction rights will be added as the Conditions of Sale contained in this catalog and on the website www.fondacoaste.com.

The **auction rights** in case of **absentee bids** will be: **25% (Twenty-five percent)** on the hammer price up to 200.000 euros; 20% (Twenty percent) for the exceeding part of this amount.
